Have you ever had the opportunity to sleep among fish and other aquatic wildlife? Connecticut Yankee Council and the Mystic Aquarium & Institute for Exploration are pleased to provide Cub Scouts with a unique overnight experience. Mystic Aquarium is a living museum and your Cub Scouts will have a unique opportunity to learn about the world under the ocean from trained marine educators. When the overnight experience has concluded, participants will be allowed to spend the day in the Aquarium as part of the package.

Cub Scouts and parents must arrive at the Mystic Aquarium no later than 6:45 the day of the overnight. The doors of the aquarium are locked to the outside after 7:00 so arriving on time is very important. On the agenda for the overnight are a lot of hands on experiences with marine life.

This is a parent, son weekend. Each Scout must attend with their parent or guardian. **Registration must be submitted to the Council Resource Center 30 days prior to the scheduled date.** Details will be provided, via e-mail, upon registration.

For more info contact Frank Considine at 1-800-333-7905 or via e-mail at considine@ctyankee.org
